Description From the property

Live in nature while protecting it in our exclusive project in Las Delicias de Cóbano. We present an impressive collection of lots in a natural conservation-themed condominium, where 50% of the areas will always be protected as green zones through reforestation and regeneration efforts on former cattle ranch lands. Immerse yourself in the beauty of nature and enjoy easy access to the beaches of Santa Teresa, Mal País, and Montezuma.

Lots ranging from 2000m² to 4000m² offer stunning views of natural reserves or the sea. This is a perfect retreat for those seeking tranquility without sacrificing convenience. Located just 15 minutes from Santa Teresa, this gated community ensures security and privacy with controlled entrances and 24/7 surveillance.

First-class amenities:

- Hiking trails
- Yoga deck
- Private access
- Children's play area

Furthermore, the northern area of the project will host an international school, an amphitheater for cultural events, and a commercial area with everything you need.

Exclusive offer:

- **Before: \$450,000. Now: \$360,000**
- **25% discount**

Take advantage of our exclusive pre-sale prices and reserve your lot today. Enjoy a sea view and the tranquility of living in a gated community, all while contributing to the conservation of the natural environment.
