information! ` ` `

Located in the exclusive Colinas de Montealegre condominium, in the east of San José, this stunning house offers a perfect combination of elegance, comfort, and panoramic city views. With an architectural design that stands out for its double-height living room, artisan ceilings, and a fireplace, the property creates a cozy and sophisticated atmosphere.

The house features three spacious bedrooms, each equipped with a walk-in closet and bathroom, ideal for rest and privacy. The modern kitchen, recently remodeled, includes a central island and dining area, making it

easy for entertainment and family gatherings. Additionally, the garage has space for four vehicles, ensuring comfort and convenience for residents and visitors.

With its luxurious features and privileged location, this property represents the perfect opportunity for those seeking an exclusive and comfortable lifestyle. Don't miss the chance to acquire your new home in one of the best condominiums in the region.

Features:

Semi-contemporary house, clay tile roofs, wooden doors, double-height living room with fireplace, kitchen with dining area and appliances included, patio on three levels.

Distribution:

First level: 4-car garage, service room, spacious living-dining room, beautiful kitchen, internal gardens, patio, and a half bathroom for guests.

Second level: Living room with fireplace, balcony, kitchen, 3 bedrooms with bathroom and walk-in closet each.
