Description Property Information

Beautiful property located in San Ramón de La Unión, on a peaceful dead-end street, very well located and easily accessible, in a fresh mountain

environment, surrounded by the most prestigious schools in the area.

The property has two very private houses. The main house has 423 square meters of construction and includes:

- 3 comfortable bedrooms. Spacious master bedroom with a view and a covered balcony with a spectacular view, walk-in closet, and private bathroom.
- 4 living spaces on the first floor with large windows, living room with fireplace. All spacious with extraordinary lighting and ventilation.
- Several terraces.
- Spacious kitchen with dining area.
- Laundry room with drying area.
- Maid's room with bathroom.
- 3.5 total bathrooms.
- Covered garage + outdoor space for several cars.

The guest house is a 64 square meter space with a living room, bedroom, bathroom, kitchen, and terrace area.

Country-style house, with wooden floors on the second floor, ideal for living in the city with the tranquility offered by the green surroundings and city views.

Schedule your visit, we work every day of the week!
