Descripción de la propiedad

Welcome to the latest ocean view offerings in this exclusive project. These two lots are facing north with breathtaking ocean views / sunset views.

In two lots the developers are going to build an incredible 4 bedroom home with a total of 438m²/4713sf of construction size. All 4 bedrooms are master bedrooms/ensuite with a big walk-in closet. 3 of these bedrooms have an incredible ocean view and 1 has a gorgeous valley view over the National Park Marino de las Baulas and our finca.

The newest design will have the open concept with carefully thought sliding doors/windows allowing for natural airflow and light throughout the homes. The terrace invites family and friends to enjoy the beautiful nature while grilling on the BBQ or relaxing in the private pool.

Amenities that will be offered, a beach club, an exclusive sunset club, hiking trails, mountain bike trails as well as a Fitness and Wellness club, these homes in particular are the perfect place to call home or capitalize on your investment.

The construction time for these homes is estimated between around 10 to 12 months.

The sales price for lot 41 is 1,950,000.00\$ and for lot 42 2,200,000.00\$ this because of the strategic position of the lot. Call us now and book your visit!
